Universitat Politècnica de Catalunya - BarcelonaTech (UPC): Startups & Spinoffs at 4YFN 2025

Barcelona, 3 – 6 March 2025
**Hall 8.1 4YFN – Stand 8.1C33A & 8.1C33B**

## Monday 3 Mar | Tuesday 4 Mar

| | **PowerDIW** | [powerdiw.com](powerdiw.com) |
|---|---|---|
|  | Contact: Andrea Gusano ([agusano@cimupc.org](mailto:agusano@cimupc.org)) | |
| | Breaks 3D printing barriers by unlocking materials and promoting sustainability | |
| Exhibition: Monday \| Tuesday (8.1C33.1A) | | Spinoff |

| | **Algorae** | [algorae.cat](algorae.cat) |
|---|---|---|
|  | Contact: Ernest Teniente ([ernest.teniente@algorae.cat](mailto:ernest.teniente@algorae.cat)) | |
| | Mobility and transport solutions through the use of artificial intelligence | |
| Exhibition: Monday \| Tuesday (8.1C33.2A) | | Spinoff |

| | **Vincer.AI** | [vincer.ai](vincer.ai) |
|---|---|---|
|  | Contact: Pol Solà ([pol.sola@vincer.ai](mailto:pol.sola@vincer.ai)) | |
| | Streamline the regulatory certification process using AI agents in healthcare | |
| Exhibition: Monday \| Tuesday (8.1C33.3A) | | Spinoff |

| | **TalentYou AI** | [talentyou.ai](talentyou.ai) |
|---|---|---|
|  | Contact: Jordi Espasa ([jordi.espasa@talentyou.ai](mailto:jordi.espasa@talentyou.ai)) | |
| | Interactive simulations to train, evaluate, and boost professional skills | |
| Exhibition: Monday \| Tuesday (8.1C33.4A) | | Startup |

| | IT'S ON | itsonsync.com |
|---|---|---|
| IT'S ON | Contact: David Zekaria (info@itsonsync.com) | |
| | Remote monitoring platform revolutionizing the audiovisual production process | |
| Exhibition: Monday \| Tuesday (8.1C33.5A) | | Startup |

| | Electra Sphere Innovations | electrasi.com |
|---|---|---|
| ELECTRA | Contact: Ali Farahpoor (ali.farahpoor@electrasi.es) | |
| | Innovative IoT, blockchain, and secure data solutions for modern businesses | |
| Exhibition: Monday \| Tuesday (8.1C33.6A) | | Startup |

| | MORE - Mobility Report | more-mobility-report |
|---|---|---|
| MORE Mobility Report | Contact: Sandra Meza (sandra.meza@upc.edu) | |
| | Interactive solution for citizen participation in urban mobility | |
| Exhibition: Monday \| Tuesday (8.1C33.7A) | | Startup |

| | Tracks CO2 | tracksco2.com |
|---|---|---|
| TRACKS CO₂ | Contact: Teresa Domenech (tdomenech@tracksco2.com) | |
| | Green Impact: Satellite-Driven Emissions Offset. | |
| Exhibition: Monday \| Tuesday (8.1C33.8A) | | Startup |

| | **Aridditive** | [aridditive.com](aridditive.com) |
|---|---|---|
| | Contact: Roger Uceda ([ruceda@aridditive.com](ruceda@aridditive.com)) | |
| | Revolutionizing construction with sustainable 3D concrete printing. | |
| Exhibition: Wednesday \| Thursday (8.1C33.1B) | | Spinoff |

| | **NIMBLE Diagnostics** | [dxnimble.com](dxnimble.com) |
|---|---|---|
| | Contact: Naia Jimenez ([naia.jimenez@dxnimble.com](naia.jimenez@dxnimble.com)) | |
| | World's first non-invasive system to detect defects in coronary stents. | |
| Exhibition: Wednesday \| Thursday (8.1C33.2B) | | Spinoff |

| | **Virmedex** | [virmedex.com](virmedex.com) |
|---|---|---|
| | Contact: Dani Tost ([dani@virmedex.com](dani@virmedex.com)) | |
| | Video Games, VR, and AI for Healthcare Training. | |
| Exhibition: Wednesday \| Thursday (8.1C33.3B) | | Spinoff |

| | **Point Pressure** | [pointpressure.com](pointpressure.com) |
|---|---|---|
| | Contact: Marc Casellas ([marc@pointpressure.com](marc@pointpressure.com)) | |
| | Neuromodulation medical device to help stroke patients achieve greater mobility. | |
| Exhibition: Wednesday \| Thursday (8.1C33.4B) | | Startup |

| | **Neod** | getneod.com |
|---|---|---|
| | Contact: Marc Aguilar (support@getneod.com) | |
| | Your ultimate tool to simplify daily tasks and maximize productivity. | |
| Exhibition: Wednesday \| Thursday (8.1C33.5B) | | Startup |

| | **PlasmAccelerate** | |
|---|---|---|
| | Contact: Adrià Barceló (adria.barcelo.rubino@upc.edu) | |
| | Combining biomaterials and cold plasma for innovative cancer treatments. | |
| Exhibition: Wednesday \| Thursday (8.1C33.6B) | | Startup |

| | **Muvity** | muvity.cat |
|---|---|---|
| | Contact: Alexandra Stasovskaya (alexandra.stasovskaya@upc.edu) | |
| | Transforming Rehabilitation: Engaging and Accessible. | |
| Exhibition: Wednesday \| Thursday (8.1C33.7B) | | Startup |

| | **Systellar Space** | systellar-space.com |
|---|---|---|
| | Contact: Sergi Company (sergi.company@systellar-space.com) | |
| | Redefining space engineering with scalable AI-powered digital systems. | |
| Exhibition: Wednesday \| Thursday (8.1C33.8B) | | Startup |

**UPC Pitching session | 05/03 16 - 17 h. | Pitching Stage, Hall 8.1 - 4YFN**

**Algorae**                     | [algorae.cat](algorae.cat)
Spinoff
Mobility and transport solutions through the use of artificial intelligence.

**BrainFocus**                 | [brainfocus.tech](brainfocus.tech)
Spinoff
EEG computational solutions for neurologists to improve care of patients with drug-resistant epilepsy.

**ElectraSI**                   | [electrasi.com](electrasi.com)
Startup
Powering a secure and connected future.

**Ikusa Cybersecurity**        |
Spinoff
Ikusa helps companies prevent the leakage of personal data and eliminate the trail of sensitive information that their employees leave on the internet. Ikusa enhances business security by protecting privacy and preventing cybercriminals from using personal data to orchestrate targeted attacks.

**Ludium Lab**                 | [ludiumlab.com](ludiumlab.com)
Spinoff
Cloud adoption and interactive streaming of applications at a reduced cost.

**Muvity**                     | [muvity.cat](muvity.cat)
Spinoff
Transforming rehabilitation: engaging and accessible.

**NIMBLE Diagnostics**         | [dxnimble.com](dxnimble.com)
Spinoff
Providing early diagnosis to cardiovascular patients.

**PlasmAccelerate**            |
Spinoff
Combining biomaterials and cold plasma for innovative cancer treatments.

**SLIMOP Space**               | [slimop.space](slimop.space)
Startup
New optical systems for their integration as telescopes for use in satellites, nanosatellites, and CubeSats.

**Systellar Space**            | [systellar-space](systellar-space)
Startup
Redefining space engineering with scalable AI-powered digital systems.

**TalentYou**                  | [talentyou.ai](talentyou.ai)
Startup
Interactive simulations to train, evaluate, and boost professional skills.

**Virmedex**                   | [virmedex.com](virmedex.com)
Spinoff
Video Games, VR, and AI for healthcare training.

## Other UPC related organizations at 4YFN 2025

**Able Human Motion** | [able-human-motion-s-l](able-human-motion-s-l)
Spinoff
Lightweight, quick to adjust and accessible robotic exoskeletons for neurorehabilitation.

**Barcelona Supercomputing Center (BSC)** | [barcelona-supercomputing-center-bsc](barcelona-supercomputing-center-bsc)
Research Services
The national supercomputing centre in Spain.

**BlueNetCat** | [bluenetcat](bluenetcat)
Research Services
Innovation and knowledge transfer to improve competitiveness.

**BrainFocus Labs** | [brainfocus-labs-s-l](brainfocus-labs-s-l)
Spinoff
EEG computational solutions for neurologists to improve care of patients with drug-resistant epilepsy.

**Inmersia** | [inmersia](inmersia)
Startup
Meet the next reality! - Forget your smartphone and connect with people around you - AR Smartglasses.

**Ludium Lab SL** | [ludium-lab-sl](ludium-lab-sl)
Spinoff
Cloud adoption and interactive streaming of applications at a reduced cost.

**Mitiga Solutions** | [mitiga-solutions](mitiga-solutions)
Spinoff
Climate data and analysis.

**MiWEndo Solutions** | [miwendo-solutions](miwendo-solutions)
Spinoff
Microwaves for endoscopy.

**Nanochronia, SL** | [nanochronia-sl](nanochronia-sl)
Spinoff
Holding gases accountable.

**Techwich** | [techwich](techwich)
Startup
Techwich is a cutting-edge online education platform that offers bite-sized, interactive learning experiences designed and taught by experienced industry professionals.

**Vaive Logistics** | [vaive-logistics](vaive-logistics)
Spinoff
We are an autonomous driving technology company providing a new wave of delivery services.

**WIVI VISION** | [wivi-vision](wivi-vision)
Startup
Visual assessment and training with videogames and Artificial Intelligence to improve your vision and quality of life.

**Xartec Salut** | [xartec salut](#)
Research Services
Fostering innovation in the field of maternal and child health across europe.

**YPlasma** | [yplasma-actuators-technologies-s-l](#)
ESA BIC Incubatee
Empowering efficiency through plasma innovation.

## BSC Spinoffs

**Nostrum Biodiscovery** | [nostrumbiodiscovery](#)
BSC Spinoff
Rethink and Accelerate.

**Mitiga Solutions** | [mitigasolutions](#)
BSC Spinoff
Climate data and analysis.

**ELEM Biotech** | [elem.bio](#)
BSC Spinoff
The Virtual Humans Factory, creates software products for the medical industry to optimize and test medical treatments.

**Nearby Computing** | [nearbycomputing](#)
BSC Spinoff
Edge Orchestration Solutions.

**Qbeast** | [qbeast.io](#)
BSC Spinoff
AI powered data layout for fast and cost-efficient BI and ML.

**Qilimanjaro** | [qilimanjaro.tech](#)
BSC Spinoff
Quantum computing for real-world problems.

**Nextmol** | [nextmol](#)
BSC Spinoff
Accelerating chemical discovery.

**Frontwave Imaging** | [frontwave-imaging](#)
BSC Spinoff
Ultrasound breast imaging.

**Energy Aware Runtime** | [eas4dc](#)
BSC Spinoff
Easy and Efficient Energy management for Data Centers.

**Openchip** | [openchip](#)
BSC Spinoff
Enabling there is no impossible.

**Talptech** | [talptech](talptech)
BSC Spinoff
Democratizing precision agriculture.

**Galtea** | [galtea.ai](galtea.ai)
BSC Spinoff
Building trust in Artificial Intelligence.
